“The food is delicious!”
 Excellent service with very hospitable and friendly bartenders. The decor is lovely inside with garlic hanging everywhere. The food is delicious, I especially loved the garlic potato soup and penne alla vodka. It definitely gets packed after a ski day!

“Will definitely visit again!”
 Such a unique restaurant, decor is rustic and beautiful and their food is delectable. The garlic is clearly the freshest and marinated to perfection. We had the clams and fried mozzarella to start and the rack of lamb and sausage orecchiette. The wait staff was attentive and so kind. Will definitely visit again when we're back in the area.

"It's a classic steakhouse!"
 We live in Rutland and have been there for all occasions. They never disappoint. It's a classic steakhouse and we've always had a great meal there. They don't take reservations for a party less than 6 and normally you only must wait a few minutes. They have a great bar and cocktails.

constructed in France and
shipped to the U.S. in 1887 for an

original owner, Jack Giguere, had
it deconstructed and relocated to it's
new home in Killington, Vermont.

“Full of New England charm!”

Enjoyed all of the theming throughout the mini golf course - our favorite was the maple syrup trees. Can't wait to visit again soon!

“This place is awesome!”

Also there The only snack bar open late serving food till 9 p.m. open till 10 p.m. Ice cream flavors you will only find there like "Birthday Cake" and many more. “Amazing food and deck views”

They had the fire pit going and a huge lawn for my kids to play on while we waited for our food. Their deck is amazing with incredible views.

“Excellence!”

The food is amazing, atmosphere and staff. This stop here made our trip. Stayed for a week and this was by far our favorite place for dinner and cocktails.

“A hidden gem!”

Last night my wife and I had one of the best meals we've had in the Killington area in quite a while. The Kent Bistro & Bar is a hidden gem.

The Kent

Seasonal selections for farm-fresh menu

The Kent Bistro is a popular local dinner spot, located right on Kent Pond in Killington. The views of the green mountains above will add to this unique, intimate dining experience. With craft cocktails and seasonal menus that constantly change with the freshest ingredients that make the most of our local Vermont farms, The Kent is a not to miss during your visit. Enjoy dishes inspired by fresh, high-quality ingredients and state specialties. Our drinks menu is a delight on its own, with house-made shrubs and syrups that form the base for original, refreshing cocktails. We also have a curated wine list and offer a selection of local craft beers and cocktails.

LOCAL

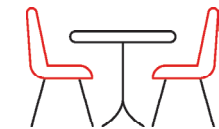

TIPS NOT TO MISS:

- The menu changes a lot as its dependent on local seasonal ingredients —the best!
- Leave plenty of time to enjoy the grounds before or after dinner. The lawn skirts the shores of Kent Pond. Grab a drink and head down to the dock to enjoy a pre-dinner cocktail on the water.
- A game room offers a place for kids to hang while the adults finish up their dinner.
- Great spot to grab a cocktail, sit by a firepit on the terrace overlooking the pond.
